Master of Science (M.S.) in Health Promotion and Education, UC, Cincinnati, OH, August 2014

Thesis Research: The Role of Personal and Physical Activity Attitudes on Recent Physical Activity among College Students

Bachelor of Science (B.S.) in Health Promotion and Education, UC, Cincinnati, OH, April 2013

Employment History

Vice President of Health Strategy, American Heart Association, Cincinnati, OH October 2019-present

Assess the community health needs within Greater Cincinnati and Northern Kentucky region to develop, support and execute community-wide strategies to build a culture of health. Lead policy, system and environmental change initiatives related to hypertension, tobacco/e-cigarette use, and healthy food access.

Consultant, Avant Consulting Group, Cincinnati, OH February 2019-present

Create and deliver unique, innovative, evidence-based diversity and inclusion training to create structurally competent, self-aware employees. Lead transformational change within organizations into inclusive spaces. Provide robust qualitative assessments to improve patient experiences within healthcare region and increase community engagement.

Adjunct Instructor, University of Cincinnati, OH August 2018-present

Facilitate Exploring Health Professions and Social and Behavioral Foundations of Public Health course within the Experience-Based Learning & Career Education program and Health Promotion & Education to Pre-Health students to foster transdisciplinary projects and courses with pre-health (medicine, pharmacy, physical therapy, nursing etc.) students, faculty and healthcare professionals.

Senior Manager-Gen-H, The Health Collaborative, Cincinnati, OH August 2017-October 2019

Lead Regional Southwest Ohio Community Health Needs Assessment with thirty-five hospitals and twenty-five counties and health departments. Serve as a leader and community change-agent to influence, motivate and catalyze regional transformation. Convene partners and stakeholders to build consensus leading to action aligned with regional community needs. Develop and maintain sustainable relationships with community partners including healthcare providers and social services agencies.

Summer Faculty, Humanities, Phillips Exeter Academy, Exeter, NH June 2017-August 2017

Facilitated multiple upper school humanities courses including Global Justice, Criminal Justice and United Nations. Courses facilitated utilizing The Harkness Method. In addition to teaching, advised the Afro-Latino Society and numerous students living within the dormitories.

Project Assistant, Ohio Public Health Association- Health and Equity in All Policies (HEiAP) November 2016-June 2017

Drafts, edits and distributes of various communications (professional journal articles, talking points, press releases, position statements, brochures etc.) that educate and inform stakeholders, legislators and the general public about important aspects of the HEiAP Legislative Initiative.

Graduate Teaching Assistant, Health Promotion and Education Program, University of Cincinnati, Cincinnati, OH, August 2013-April 2017

Responsibilities include developing and teaching courses like Introduction to Global Health, Epidemiology of Human Disease and Environmental Health while assisting professors with scholarly

research, course development, data collection and entry, grant identification, writing, and other administrative tasks.

Senior Researcher, Africana Health Research Laboratory, Department of Africana Studies, Cincinnati, OH
October 2015-April 2017

Assist with relevant literature reviews and research in morbidity and mortality of maternal and child health in sub-Saharan Africa. Conducting secondary data analyses of Demography and Health Survey datasets. Support the data collection, analysis and outcomes reporting for monitoring and evaluation of international programming initiatives.

Administration Team Member, This Week in Global Health (TWIGH) Podcast, November 2015-April 2017

Broadcast and assist with production of bi-weekly TWIGH podcast. Promoting TWIGH podcast on numerous social media platforms. Engage in social media and discuss top global health topics with aspiring and current global health professionals.

Health Educator, YMCA, Cincinnati, OH May 2016-November 2016

Developed curriculum and implement health education programs in a nine-county region of Ohio, Northern Kentucky and Southwestern Indiana. Taught health education programs on the mobile classroom and/or school classroom at elementary schools. Conducted evaluation to ensure that programs impact children's knowledge, attitudes and behaviors about health.

Graduate Student Worker, Center for Community Engagement, UC, Cincinnati, OH August 2013-May 2014; August 2015-August 2016

Assisted program coordinator and director with the planning, implementation and evaluation of Bearcat Buddies tutoring program. The program offered tutoring and mentoring opportunities to college students for 500+ students in Cincinnati Public Schools.

Graduate Assistant, Center for the Enhancement of Teaching & Learning (CET&L), UC, Cincinnati, OH, July 2014-August 2015

Maintained electronic database for CET&L program evaluation data. Developed assessment instruments and provided evaluation for CET&L and Graduate Association for Teaching Enhancement (GATE). Analyzed program evaluations using SPSS, R, LaTeX and NVivo statistical software.

Presented summary reports for CET&L and GATE programs.

Co-Founder, Let's Change Our City (LCOC), Cincinnati, OH November 2015-present

Co-founded a volunteer initiative addressing social determinants of health in Cincinnati. Held a LCOC Conference bringing together community partners and students. LCOC helps refer patients to essential resources while engaging students with community partners dedicated to various social determinants of health.
